The standard controller also has a re-print function, but again as I said, it depends on how the machine was initially set up. With some of these Bizhubs, by the way, the Fiery is no longer an external box sitting next to the machine, but is sort of built-in/attached on to the back of the machine. I have a Konica Minolta PagePro 5650EN and keep getting a ... Thank you. Before going further, let's establish what version of Windows is on the system in question. To determine which version of Windows is running on the host system, press the Windows key and R key simultaneously. PaperCut MF - Release History PaperCut MF Release History.
