Black against Empire: The History and Politics of the ... In the face of intense repression, the Party flourished, becoming the center of a revolutionary movement with offices in 68 U.S. cities and powerful allies around the world. Black against Empire is the first comprehensive overview and analysis of the history and politics of the Black Panther Party. The authors analyze key political questions, such as why so many young black people across the country risked their lives for the revolution, why the Party grew most rapidly during the height of ... Black Against Empire: The History and Politics of the ... With Black Against Empire, Bloom and Martin have produced an impressive volume on the history of the Black Panther Party (BPP). While much of the content will be While much of the content will be We use cookies to enhance your experience on our website. Black Against Empire: The History and Politics of the ... Black Against Empire is a fascinating work, and Bloom and Martin succeed in telling the story of what is still one of the more polarizing, controversial, and effective civil rights organizations in American history with great skill. There is no 'catch-all' phrase to adequately describe the Panthers' influence during their brief time in the spotlight. Instead, it is a sweeping story of ... Black Against Empire: the history and politics of the ... Exploring the rise and fall of the Black Panther Party within its national and global historical contexts, Black Against Empire is a study of the making and the unmaking of a revolutionary moment for which, the authors propose, the Black Panther Party as an anti-imperialist, anti-racist socialist movement stood at the apex. The Black Panther Party for Self-Defense was born among and addressed ... Black Against Empire PDF - bookslibland.net This timely special edition, published on the fiftieth anniversary of the founding of the Black Panther Party, features a new preface by the authors that places the Party in a contemporary political landscape, especially as it relates to Black Lives Matter and other struggles to fight police brutality against black communities. Black against Empire : The History and Politics of the ... Black against Empire is the first comprehensive overview and analysis of the history and politics of the Black Panther Party. The authors analyze key political questions, such as why so many young black people across the country risked their lives for the revolution, why the Party grew most rapidly during the height of repression, and why allies abandoned the Party at its peak of influence. Bold, engrossing, and richly detailed, this book cuts through the mythology and obfuscation, revealing ...
