Review: Switch on Your Brain by Caroline Leaf | Tea Time ... So, after all this, what is Switch On Your Brain about? This book is divided into two parts, a theoretical one (Point 1 above) and a practical one based on the theory (Point 2 above). Caroline Leaf's foundational message is that the mind influences and informs the brain ; the chemistry of the brain does not control the mind. Dr. Caroline Leaf Dr. Leaf has done a masterful job of describing how different mindsets, through quantum effects, change our brains. Through simple steps outlined her books you can change your brain and experience a successful life.
